## TROOPS RETIRING

**Russian Main Force and Legation Withdrawn From Pekin Last Saturday.**

## ORDERS REACH CHAFFEE

General Chaffee Has Received his Orders and is Beginning Preparations to Leave

## THE CHINESE CAPITAL

There will Remain a Mixed Force of About Two Thousand to Represent Russia in the Chinese Capital.

## FIFTH MARINES WILL GO.

General Chaffee has Ordered them to Prepare for an Expedition Through the Interior of Shan Hai-Kwan.

St. Petersburg, Sept. 30.—The following dispatch, dated Pekin, Sept. 27, has been received from M. de Giers, Russian Minister to China:

"In accordance with orders from the highest quarters, I am leaving for Tien-Tsin with the whole legation."

Tien-Tsin, Sept. 28, via Shanghai, Sept. 30.—Orders from Washington directing the withdrawal of the bulk of the American troops were received this afternoon and preparations to comply were begun immediately.

General Chaffee is here directing the movement, which will commence at the earliest possible moment.

The allied commanders had decided to dispatch a combined land and

naval expedition to Shan-Hai-Kwan. The American detail had not yet been made. Now that the order to withdraw has been received from Washington, it is possible that the plans for the expedition will have to be modified. General Chaffee, however, is proceeding on the opposite assumption, and has ordered the Fifth Marine Battalion to prepare to go.

Pekin, Sept. 25, via Taku, Sept. 28, via Shanghai, Sept. 30.—At the conference of Generals today the Russian commander, General Linovitch, announced the immediate withdrawal from Pekin of the bulk of the Russian troops and the legation. He will leave on Thursday, September 27, and the legation will follow on Saturday. There will remain a mixed force of about 2,000 to represent Russia.

General Linovitch asserted that the dispatch from St. Petersburg transmitting the order to withdraw contained a statement that all the Powers were adopting the same policy. The other generals replied that they had received no orders of that nature.

## Quanah Parker is Ill.

Denison, Tex., Earl Roberts of the Comanche reservation reports that Quanah Parker, the famous Comanche chief, who figures so largely in Texas history, is seriously ill near Fort Sill.

## Howard's Motion Overruled.

Frankfort, Ky., Sept. 29.—The motion for a new trial for Jim Howard, convicted of the murder of Governor Goebel, was argued today before Judge Cantrell, who overruled the motion.

## Wait Statehood too.

Phoenix, Ariz., Oct. 1.—The political campaign in this territory will formally open this week. The two rival democratic candidates for delegates to congress, Mark Smith and J. F. Wilson, will fight it out, holding separate meetings. Statehood has been made the rallying cry by both republicans and democrats.

## MINERS WILL NOT YIELD.

Offer of Higher Wages are no Inducements to the Striking Miners.

## MINES STILL TIED UP.

All the Collieries, With One Exception, are Tied up as Hard and Fast as Usual.

Wilksbarre, Pa., Oct. 1.—The strike situation in the Wyoming valley remains unchanged this morning. All of the collieries, with the exception of one at Monacaque, employing 400 men, are tied up as usual. It is apparent from the declarations of the strikers and their leaders that no action will be taken on the mine owners to start their collieries by an offer of a 10 per cent increase in wages until word comes from President Mitchell.

## THE YOUTSEY TRIAL.

The Commonwealth Will Insist on Beginning the Trial as Defendant is Well.

## WITNESSES ABSENT.

Expect to Have Them Unavoidably Absent so The Trial will be put off Until the February Term of Court

Georgetown, Ky., Oct. 2.—When Henry Youtsey's case is called tomorrow it is certain the commonwealth will insist on a trial. Youtsey's attorneys are uncertain tonight whether or not they will move to continue until February, as some of the witnesses may be unavoidably absent. There will be no delay, however, on the score of Youtsey's health, as his condition is much improved.

**DON'T BLAME THE COOK**

If the biscuits are not good;
